

TOWN OF FIRESTONE
CERTIFICATION WITH RESPECT TO QUALIFYING SURFACE DEVELOPMENTS
(Pursuant to C.R.S. Section 24-65.5-103.3)

Name of Development Application: _____

Applicant's Name: _____

Planning Commission Hearing Date: _____

Town Board Hearing Date: _____

The undersigned applicant, _____, pursuant to Colorado Revised Statutes (C.R.S.) § 24-65.5-103.3, hereby certifies as follows (check only one applicable section):

No mineral estate owner has entered an appearance or filed an objection to the proposed application for development within thirty days after the initial public hearing on the application.

The applicant and any mineral estate owners who have filed an objection to the proposed application for development or have otherwise filed an entry of appearance in the initial public hearing regarding such application no later than thirty days following the initial public hearing on the application have executed a surface use agreement related to the property included in the application for development, the provisions of which have been incorporated into the application for development or are evidenced by a memorandum or otherwise recorded in the records of the clerk and recorder of the county in which the property is located so as to provide notice to transferees of the applicant, who shall be bound by such surface use agreements.

The application for development provides:

- (a) Access to mineral operations, surface facilities, flowlines, and pipelines in support of such operations existing when the final public hearing on the application for development is held by means of public roads sufficient to withstand trucks and drilling equipment or thirty-foot-wide access easements;
- (b) An oil and gas operations area and existing wellsite locations in accordance with section 24-65.5-103.5; and
- (c) That the deposit for incremental drilling costs described in CRS Section 24-65.6-103.7 has been made.

The applicant hereby acknowledges that this certification to the Town shall be a condition of approval of the above-referenced application.

Dated this ____ day of _____, 20__.
