

# HEALTHCARE & EMERGENCY SERVICES

The Town of Firestone's growing and vibrant community is supported by quality healthcare and emergency services. A variety of healthcare and urgent care providers are located throughout the town and supported by nearby hospitals.

## TOWN OF FIRESTONE POLICE DEPARTMENT (FPD)

The Firestone Police Department serves to protect the community by offering community patrol, animal control, conduct criminal investigations, enforcement of traffic and municipal codes, as well as provides a school resource officer for local schools. FPD works in partnership with other law enforcement agencies of the 19<sup>th</sup> Judicial District, providing qualified personnel for the Critical Incident Response Team (CIRT).

## FREDERICK-FIRESTONE FIRE PROTECTION DISTRICT (FFFD)

FFD stations are staffed around the clock with fire and emergency medical services personnel. Stations are strategically located so that everyone is within 5 miles of a station, and each station has a nine (9) square mile service area, on average. The District provides advanced life support ambulance transport services in addition to firefighting, rescue, and prevention services. The current average response time is 4.28 minutes after receiving notification from the dispatch center, which is a response time far below the national average.

Fire/Emergency Medical Services (EMS) Station Locations:

### Hazardous Materials

All Frederick-Firestone Fire Protection District (FFFD) response engines have hazardous materials capability to begin mitigation and the FFFD Haz-Mat trailer is located off the I-25 Frontage Road at Station 2. All FFFD personnel are trained in Haz-Mat Operations and there are 12 trained Haz-Mat Technicians in the department as well. Mutual aid agreements with the Longmont Haz-Mat and Greeley Haz-Mat teams provide additional support for incidents larger than FFFD could handle.
